

# 'Hutch' out for rest of season

**WYCOMBE WANDERERS** midfield man, Johnny Hutchinson, who played a large part in the Berks and Bucks Senior Cup victory over Slough Town on Monday, will miss the Blues' remaining matches this season as he is leaving to work in Spain.

"Hutch" will be abroad for three to six months and his presence in midfield will undoubtedly be missed if Monday's performance is anything to go by. Alan Gane is likely to take his place for the rest of the season.

After leaving the club for a short spell a month ago, Hutchinson returned to play some of his best football of the term. As to next season, Wycombe manager Brian Lee, has told the player that if he attends the pre-season training he will be considered for the team.

The professional season gets under way on August 25 but the Isthmian League are likely to start earlier, probably the 11th or 18th. Training will begin for Wycombe in mid-July.

## MORE POINTS?

Hutchinson misses tomorrow's (Saturday) league trip to Clapton at the Spotted Dog where Wanderers will be anxious to add more points in their bid to finish well up in the table. Two players are doubtful, full-back Derek Gamblin, and forward, Tony Horseman. Gamblin has ankle trouble and Horseman a leg injury.

With their 5-0 win over St.

Albans, Walton and Hershafn boosted themselves into second place in the table, above Wycombe on goal average. Having beaten champions Hendon recently, the Amateur Cup winners will be hard to stop from taking the runners-up spot.

Clapton, who impressed in

their 1-0 defeat at Loakes Park last month, have suffered two defeats recently, 1-3 at home to Enfield and 0-5 at Hayes. That Hayes defeat put their goals against tally up to 97 and they will be anxious to keep under the "ton" against Wycombe.

The match at Loakes Park was something of a travesty. Many will remember it for John Delaney's last minute penalty miss which put the seal on a terrible game.

The finishing on that day hit an all time low but since then, with the exception of the Corinthian Casuals game, Wanderers have been snapping up their chances regularly. As long as Easter Monday's exertions (and celebrations), haven't taken too much out of them, that 100 goals target of Clapton's could well be reached tomorrow.
